This explains why important emperors made pilgrimages mostly to Mount Tai when they were crowned or in their later years. It is a symbol of loftiness and might, hence, there are the Chinese idioms: “as firm as Mount Tai” and “as weighty as Mount Tai”. Mount Tai was proclaimed a World Natural and Cultural Heritage by UNESCO in 1987.

However, in regard to consumption concept, a large number of Chinese consumers are still in the stage of “conspicuous consumption”, which is unhealthy. Passage 35

最近，一些地方大学开始将方言列为某些学生的必修课程，学生们要学习当地方言，然后被评分以作为毕业的依据之一。一方面，支持此种做法的人认为，将方言列为必修课可防止其消失，从而使当地传统文化和文化多样性得以弘扬，同时城市独特的个性得以保留。另一方面，反对此种做法的人争论说，当地学生与外地学生相比有很多绝对优势，因此将方言列为必修课会引起教育不公平的问题。而且，将方言列为必修课程还会引起一些其他问题，如教材使用、师资问题和考试标准等。在我看来，方言作为传统文化不可缺少的一部分和一种交流工具，可以让学生自愿学习和使用，而不是强制完成。

【翻译词汇】

文化多样性 cultural diversity

【精彩译文】

Recently, it has been practiced by some local universities that dialect is made a compulsory course for some students, under which students are subject to learning the local dialect and then graded as one of the judging factors for them to graduate. On the one hand, people approving the practice maintain that it will help to prevent the dialect from extinguishing so that the local traditional culture and the cultural diversity can be enhanced, and the unique urban identity can be preserved simultaneously. On the other hand, people in opposition to the practice contend that it will give rise to the appearance of educational inequality, for the local students will enjoy absolute advantages over those from other places. Moreover, the inclusion of dialect in compulsory courses will bring forth other problems like teaching material, teachers and examination standards. As far as I am concerned, dialect, as an indispensable part of local traditional culture as well as a tool for communication, can be acquired and used voluntarily, not compulsorily.

长久以来，人们一直对市区公园是否应该收门票的话题争论不休。一些人认为市区公园是用纳税人的钱建立起来的，是供人们休闲、娱乐的公共场所，因此应该是免费的。另一方面，还有一些人称，考虑到中国人口众多，公民责任意识淡薄的情况，一旦免费开放市区公园，这些公园会管理不善，将不可避免地受到损坏。综合考虑两种观点，我较认同后者。可以确定的是市区公园免费开放要与经济发展情况相适应，因为这需要财政的支持。因此，以中国现有的经济水平，免费开放市区公园的目标要逐步实现。

【翻译词汇】

【精彩译文】

The question whether urban parks should charge an entrance fee or not has been a source of controversy for a long time. On the one hand, some people claim that urban parks, supposed to be places where people have leisure and entertainment, are public establishments that have been created with taxpayers' money and thus should be free. On the other hand, others maintain that, considering China's large population and lack of a sense of civic duty, once the parks are free of charge, they will not be properly managed and will inevitably be damaged. Considering opinions of both sides, I am inclined to the latter view. It's certain that free entry to urban parks should proceed with economic development, as it needs financial support. Hence, the current economic level in China reflects that free entry to parks can only be realized step by step.

In the countryside, though quite a number of extended families have dissolved, many married sons and their families continue to live in the same courtyard with their parents. To them, breaking up the extended family means only cooking their meals separately. They often have their houses built near their parents' home, making it convenient to help and visit each other as before.

The aged who reside in this kind of family are called empty nesters. With the rapid expansion of the aging population, China faces challenges in looking after empty nesters. Passage 45

中国有一句俗语叫作“不孝有三，无后为大”。但现在，很多时尚的年轻夫妇选择不生育孩子的生活方式，组建了丁克家庭。很多夫妻担心无法给孩子提供优越的生活条件，选择成为丁克家庭。现在，孩子的教育费用比过去高很多。在大城市，送孩子上好一点的幼儿园要花费巨资，重点中小学的学费更高。还有一些夫妻成为丁克家庭是迫不得已，当他们作好准备生育孩子时，已经错过了最佳生育年龄。

A popular saying has it that “There are three forms of unfilial conduct, of which the worst is to have no descendants.” But nowadays, it is quite fashionable for many young couples to choose a lifestyle without kids and organize the DINK family. Some couples who choose DINK family are fearful that they cannot provide favourable living conditions for children. Nowadays, the cost of educating a child is much higher than that of the past. In a big city, to send a child to a better kindergarten takes a large amount of money, and the key primary and secondary schools are even more expensive. Other couples who have chosen DINK family are obliged to do so. When they make preparations for having a baby, it is a pity that they have missed the most fertile years.

Passage 46

在中国，有些家长为了择校而寝食难安。他们想要西方教育的批判性思维和创造力，却不想承受昂贵的费用和国际学校的外籍“泡沫”；既想要中国学校的文化渗透、语言和数学技能，又不想让孩子为长时间的竞争而耗尽体力。然而在现实中似乎没有一所学校能提供所有这些。在这些相互冲突的价值观中存在着众多的不确定性，对许多人而言，择校确实是一件很困难的事情。

【翻译词汇】

择校 choice of schools	竞争 competitiveness
批判性思维 critical thinking	耗尽体力 burnout
创造力 creativity	在现实中 in reality
承受 shoulder	在…中 amid
泡沫 bubble	相互冲突的 conflicting
文化渗透 cultural immersion	存在不确定性 at stake

【精彩译文】

In China, some parents are losing sleep over their choice of schools. They want the critical thinking and creativity of Western education, but not want to shoulder the very high fees and foreign "bubble" of international schools; they want the cultural immersion, language and math skills of Chinese schools, but not the very long hours and competitiveness that can cause burnout to their children. However, in reality, no school can offer all that. And with much at stake amid this conflicting mix of values, the choice feels truly difficult for many.

Passage 47

如今，许多大学毕业生纷纷报考公务员职位。为什么大学毕业生们如此钟情公务员这个饭碗？我们不能否认部分应试者的确是抱着服务人民、服务祖国的梦想来报考的。但是我们也注意到另外一个现象，有的热门职位，如海关官员，有上千应试者争报，也有很多收入低的职位无人问津。这种现象告诉我们不少人报考公务员只是出于自身利益考虑。我们的政府所需要的是受过良好教育的年轻人自愿为国效力，而不是只顾自我的利益。

【翻译词汇】

报考 apply for
公务员 civil servant
否认 deny
应试者 candidate
服务人民、服务祖国 serve their people and motherland
热门职位 coveted position
海关官员 customs officer
收入低的 less-paid
受过良好教育的 well-educated

【精彩译文】

Nowadays, many graduates apply for the jobs of civil servants. What makes the position of civil servant so popular among college graduates? We cannot deny that a certain amount of candidates want to serve their people and motherland. However, we also note the phenomenon that when thousands of candidates are competing for the coveted position like the post of customs officer, there are also neglected less-paid posts. This phenomenon tells us that some students choose to work for the government with an eye on self-interest. Our government needs well-educated young men to serve the country voluntarily, instead of caring about their own interest only.
